This letter is being written to you on behalf of the Sherwood Forest Homeowners Association requesting your assistance in designating Robin Hood Drive one of the areas where an additional \$250 fine can be imposed for speeding.

This is a small neighborhood where children are playing in various locations and the speed that the cars travel this road is very dangerous. We are hoping that this will prove to be a deterrent for speeding in Sherwood Forest.

We would like this request to be presented to the Board of Supervisors for consideration. Should you have any questions or require additional information, please contact me at 873-1185 or via email at tmccoma@unitedproperty.org.

Sincerely,

Tracy M. McComas
